TLs:

Do you have time to meet this afternoon to discuss a very aggressive timeline for getting through these qfrs, which will require you all to keep your programs on track. We will be discussing timelines in this meeting.

Does 4pm today work for folks? Please let me know ASAP!

Christina,

Can you find some time to get a meeting together with everyone that needs to be in the room to figure out how to get these QFR's through? THE Team leaders + Joyce and us?

Tom,

I have a set of qfrs in Joyce's office from a Feb 28 HEC Budget hearing, that are going out (hopefully) today. The other budget related qfrs is the EPW package from March 22 that just went to OCFO today.

Remaining outstanding qfrs are from the July 12 lead hearing, that is making its rounds within the OCIR review chain and should be headed to Joyce's office today.

Here are the attachments for the budget qfrs...

So, in connection with confirmation preparation, I'm trying to track down all QFR's from EPW hearings of last year.

Here is the list of EPW hearings from last year that were listed on the hearing chart. Of these hearings, the only QFRs reported by teams on the QFR chart last year were from the hearings of June 19th and March 20th.

It would be most helpful if you could take a look at the hearings covered by your teams and (1) let me know if any other hearings had QFRs associated with them, and (2) send me copies of the final QFRs covered by your teams.

Thanks!

Hi Christina and Tom,  
I got a call from EPW tonight about QFR's. They allege that they don't have last year's budget QFR's, which wouldn't shock me. I think another thing we need to nail down for confirmation is the responses to ALL QFR's for EPW, in addition to letters from all Members of EPW. Sarah (cc'ed) has done the latter. Can you guys coordinate on all this, and can we talk about status?

Thanks.
